Dear Honorable Gilmore:

RE: Request for Expungement of FBI Records

Pursuant to the USA Patriot Act of 2001 and in the concerns of my position in the Executive Branch as a White House, non career appointee for the Dept. of Consumer Affairs Region 10 and U.S. Dept. of Consumer Affairs Region 9, I would like to use this opportunity to request and hereby move the court pursuant to 41 CFR Subpart 1-5.9 Public Contract to Expunge the complete Federal Bureau of Investigation record being maintained on my person and the Ramolete Corporation since 1972 as it was brought to my attention in February of 2004. The attorney of record at the Federal Public Defender's Office in the matter of United States v. Robert J. Ramolete, MAG. No. 04-02488 MK is Loretta A. Faymonville. All of the records maintained since 1972 is false, misleading and inaccurate. The information has been used in Health Care Fraud and Abuse issues since my return to Hawaii in 1976.

Findings of the Facts - Ministerial Function Test

On or about August 11, 2004, Place: Sio Tac, Washington/Airport a Region 10 operation I arrived at this airport in leg irons and handcuffs as a Prisoner being transported by the United States Marshall Service to Oklahoma City, OK. As a prisoner being processed for release to the custody of the U.S. Marshall, the Correctional Officers at the Federal Bureau of Prisons did not remove my watch as part of their routine and in doing so, the U.S. Marshall at the airport did take into consideration and informed me that he would be returning my watch at the destination at the Federal Medical Center, Butner, N.C. on Aug. 13, 2004

NOTE: AT AGE 9 I WAS A VICTIM OF AN INCESTUAL ACT WHEREUPON MY YOUNGER SISTER AT AGE 6 AND IN WHICH SHE WAS RUMORED TO BE FATHERED BY THE MAN WHO EVENTUALLY BECAME MY STEPFATHER (ANGEL QUICHO), IN THIS RESPECT, MY SO CALLED "SISTER" WAS INSTRUCTED BY MY SO CALLED "AUNTY" EVELYN SEGUERRE (NKA MALDERO) WHO IN REALITY IS MY 2ND COUSIN BECAUSE MY MOTHER IDA WAS ADOPTED BY HER UNCLE.

has expanded the term "loss" to include, Time spent investigation, Damage Assessment, Restoration. The Court Order issued on December 10, 2005, the Honorable Leslie E. Kobayashi, U.S. Magistrate Judge did rule and address the Terminology "Competency Restoration". In subsequent documentation, Document 49, there again the Order finding the Defendant suffering from a Mental Defect. This ruling is now attributed to the Federal Bureau of Investigation file as I reviewed in February of 2004 and discovered the record in which is now the focus of the answer as to, "Why?" am I suffering from a Mental Defect. All investigative studies has establish the facts and in revealing this fact of the matter, the "Mental Defect" is a creation of a manufactured story to support the Documented False, Misleading, and Inaccurate record as maintained in FBI files since 1972.

In closing, at this time, I am requesting that arrangements be made for you and I to meet in Chambers to provide all of the appropriate reports in which the purchase of property (Real Estate) pursuant to those illegal activities that I was a part of as a result of Health Care Fraud Schemes. Should you require additional information, it has been brought to my attention that Dr. Kennedy at OCCC can be instrumental in arranging my release, I trust all of the information contained therein is satisfactory and I look forward to meeting with you.

Very Truly Yours,  
Robert J. Kamolide, Sr., Ph.D.
